Chapter 1 by -

Would you rather be stuck in a dungeon with your least favorite person for the rest of your life, or stuck with your best friend for one day and then die?

Please answer, and then come up with your own scenario!

Chapter 2 by -

I would rather be with my best friend for one last happy day. Being stuck in a dungeon would be just terrible! Especially with someone I can't stand...

You have been programmed to assassinate one presidential candidate. You mechanically walk into the room and pull out the gun. What do you do?

Chapter 3 by -

I pull out the gun and aim. The trigger is pulled and one person slumps to the ground dead... Hillary Clinton.

You are in the middle of an important meeting and your phone rings. It is the police office, they have gotten a report of a crime. You are suspected. You did do it, what do you do?

Chapter 4 by Japhet

I did but since I'm a forensic scientist, I left no clue behind. In fact, the reason why I'm suspected is a cover for these policemen to come and get me check on my own victim.

You're in the middle of skydiving. As you descend, you saw an anti aircraft missile tank located a kilometer from the air show happening in an hour. You will fall on them if you have a decent landing, and you know they are enemies. But you're 200 meters up in the air, too high to cut your parachute. Death is underway. What do you do?

Chapter 5 by -

Let me die - so long as I am doing so for my country! To land on the enemies would be my duty...

You are handed a revolver and commanded to shoot the line of enemy children before you.

What do you do?

Chapter 6 by -

Obedient citizen: Aim, turn my head and close my eyes, then shoot.

Me: Drop the gun and run, even if it means death for myself.

You are helping slaves escape through the "underground railroad." You are informed that there are spies among your following that intend to alert authorities to your presence. What do you do?

Chapter 7 by -

Even though there are spies among us, I'm doing something for 'THE CAUSE'. I continue on my projected escape and take the consequences, come what may. For I am a SLAVE myself and freedom is the only answer.

You've taken a cruise with another couple, and their twin boys. You've learned that one of the twins is a psychopathic serial killer. You've also learned that he plans on killing the captain of the

I steal all the lifeboats and leave everyone to his mercy. I would help him, but, what if he turned on me? Also, he deserves the fun.

You're on a desert island with a sad coconut. You know information that could save billions of lives, but you have to get off the island.

What do you do?
